RESERVE, LA (May 19, 2008) – Dredging Supply Company, Inc. President Bush will present the award to DSC's Bill Wetta (CEO) and Bob Wetta (President) at the White House on May 20, 2008.

DSC's export sales have grown significantly from \$1.7 million in 2003 to \$4.2 million in 2006. Transforming from a small, family-owned business to an international exporter, DSC's achievements have contributed to national export expansion efforts, as well as created American jobs.
